## Paraparaumu Airfield notes

Mandatory Broadcast Zone: **Paraparaumu Traffic 118.3**

Check **PP AWIB 128.4** on approach for circuit and weather info.

**NO** overhead joins.

Print and carry copies of the PP **VFR Arrival/Departure** and **Landing** charts.

It can be a busy field;

- If unfamiliar, get a briefing from your instructor or other pilot
- Use your radio (mandatory)
- Follow the arrival procedures (have them on hand)
- Fit into the circuit traffic (gliders have right of way on finals)
- Sealed runway 16/34 circuits on the seaward side
- Taildraggers may use grass 16/34, circuits inland
- **1000 ft** circuits please
- See and be seen (lights on, eyes on stalks)
