

Gore Airfield

8th–10th March

2013

The Recreational Aircraft Association of New Zealand along with the Gore Aero Club, Fiordland Aero Club and Southland Recreational Aircraft Club are hosting the 2013 RAANZ National Annual Fly-in at the Gore Airfield.

Gore is a large sized rural town situated along side the Mataura River in the Mataura Valley and is recognized as the Brown Trout capital of the world. Either side of Gore you have hills, on the west side there are the Hokonuis where the sly-groggers brewed their whisky during the prohibition years and it is still available today made to the original recipe. On the Waimea Plains just north west of Gore on the Mandeville Airfield there is the world renowned Croydon Aircraft Factory and an Aircraft Museum which is also well worth visiting

At Gore:

- On the airfield BP Avgas and Jet A1 fuel is available using swipe card.
- Mogas will be available.
- Transport will be available.
