<b>Candidate declaration:</b> <ul style="list-style-type: none"><li>Please list aviation related interests, activities and affiliations, plus any specific initiatives the candidate intends to promote as a member of the executive.</li><li>The purpose of this declaration is to provide the AGM with sufficient information to vote appropriately.</li></ul> <p>I have been flying recreationally in microlights and gliders for over 2300 hrs – half of that was instructing. I developed several classroom-based training courses and presented them to Matamata/Te Kowhai pilots. I am passionate about teaching and safety. As a now retired Assoc. Professor of Engineering and Assoc. Dean I have substantial experience in adult education and as a faculty safety officer I learnt about safety systems. Through my instructing for RAANZ as well as SAC I know both systems well and would be very interested in being involved in integrating the two approaches, as well as developing new teaching and training tools.</p>
