Hi,

I am and have been the president of the Matamata aeroclub for the last 10 years and am a passionate microlight pilot. Plus I am an experienced professional with extensive experience in operations management and marketing. I have also been involved in the gliding community with several 100 hours in gliders and past experience on the Piako Gliding Club committee as committee member, treasurer, and president. I would like to contribute to RAANZ by being part of the executive committee and use my experience both within the aviation and microlight environment and my professional experiences.

Regards
Anna
